

MAKE THE SWITCH to

First Keystone Community Bank

**"Best bank
experience
ever!"**

Banking at First Keystone Community Bank is easy, accessible, and effective. Our friendly bankers are ready to help you meet your financial goals. The first step is to

Make the Switch!

Follow the simple steps on the reverse to start the switch.

"We switched all our accounts after doing a mortgage refinance. Great manager and staff!"

Are you ready to Make the Switch?

**Follow these simple steps to easily switch
your bank accounts to First Keystone
Community Bank.**

**1. Visit one of our 19 conveniently
-located branches to open a new
bank account at First Keystone
Community Bank.**

**2. Stop using your old account and leave
enough money to cover any
outstanding checks, automatic
payments or pending transactions.**

**3. Forward Direct Deposits to your new
First Keystone Community
Bank account.**

**4. Cancel any recurring automatic
payments to the old account and
set up Automatic Payment
Authorization with your new First
Keystone Community Bank account.**

**5. Once all outstanding items have
cleared from the old account,
close it and transfer the remaining
funds to your new First Keystone
Community Bank account. Destroy
any remaining checks and ATM cards
from the old account.**
